

CRUISING POWERSM

Best Price Guarantee

Wondering if your clients have the best rate or promotion for their upcoming cruise? Use our Best Price Guarantee tool to quickly check whether a better rate or promotion is available within 48 hours from the time the booking is made.

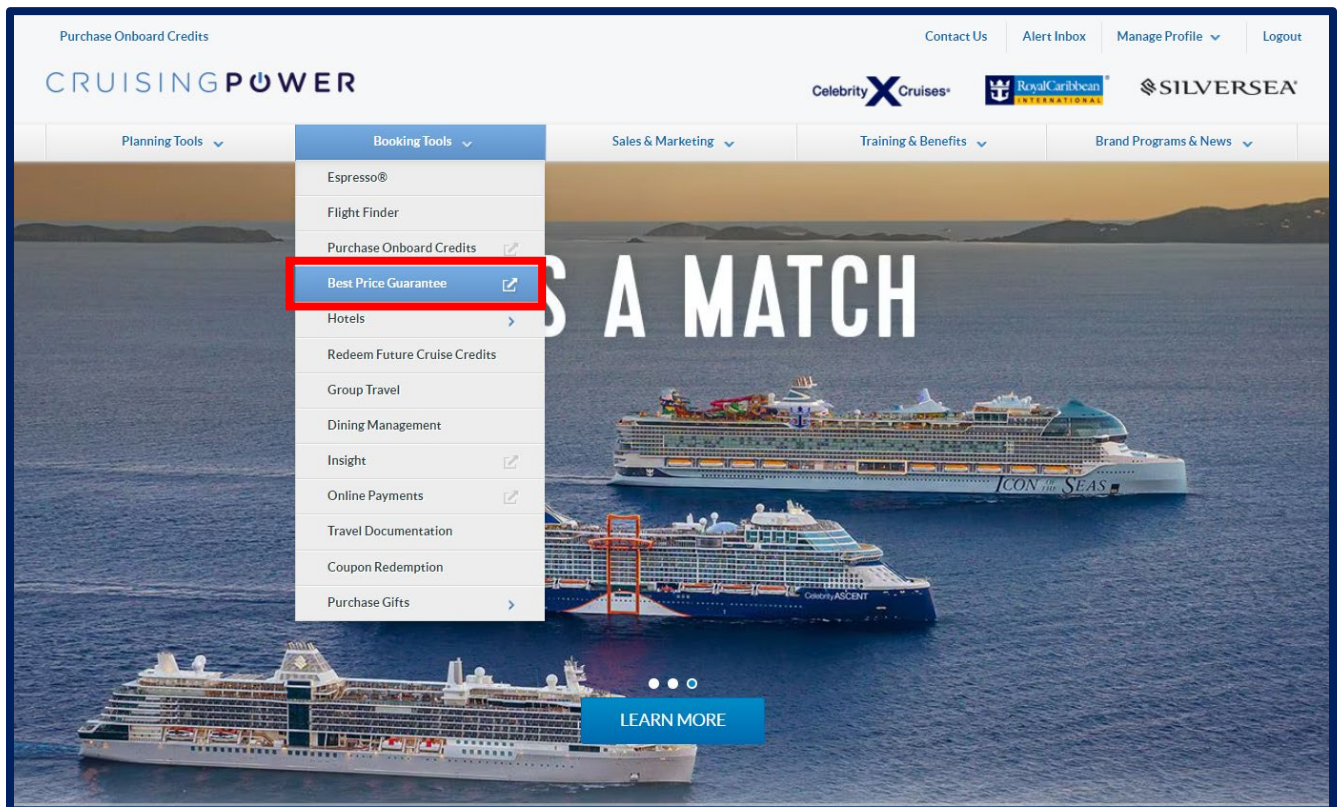

The Best Price Guarantee tool will automatically compare the current rate on the booking to the prevailing rate for the sailing. If the prevailing rate is lower than the current rate, the tool will automatically add the difference in the form of a non-refundable onboard credit to the booking. An updated booking confirmation will also be sent.

To qualify, this request must be submitted within 48 hours of booking. The Cruise Line’s determination as to eligibility shall be final and binding with respect to all matters related to the Best Price Guarantee.

The Best Price Guarantee applies to cruise fare only and will not apply to any taxes/fees, or any fuel or occupancy supplements. “Eligible Lower Rate” means a lower rate advertised by that Cruise Line at the time of this request, as available to the general public in the market where the guest resides for the same ship, sail date, stateroom category and number of guests.

An F.I.T. (individual) cruise is “booked” when the reservation is confirmed, guest names have been added and the initial deposit required by the Cruise Line has been received by the Cruise Line. For group bookings, a cruise is considered “booked” as specified by the Cruise Line’s policies, as the same may change from time to time. At a minimum, guest names must have been added and the initial deposits required by Cruise Line shall have been received by Cruise Line. An onboard “Cruise Later” booking is not considered “booked” until guest names have been added, the initial deposit required by the Cruise Line has been received by the Cruise Line, and the booking has been converted to a specific ship and sail date. Best Price Guarantee is not available to guests booked on chartered sailings or in contracted groups. Best Price Guarantee onboard credits are non-refundable, non-transferable and have no cash value. Any unused portion of the onboard credit will be forfeited at 10:00pm on the last night of the cruise. The Best Price Guarantee is subject to change and may be discontinued at any time without notice.

Travel Advisor Note: Best Price Guarantee onboard credits are non-commissionable, and the value of such onboard credits may be excluded from any other incentive program(s) available to travel advisors.
